Breeder's Guarantee:

The dog is eligible for registration with the American Kennel Club (AKC) as a purebred Pembroke Welsh Corgi under a Limited Registration. Limited AKC registration means that your dog is AKC registered, but any progeny they produce are not eligible for registration.

The dog has been seen by the breeder's veterinarian on the following dates: _____.

The breeder warrants that the dog has been dewormed and vaccinated in accordance to its age. The dog is in good health and free of communicable diseases at the time of this sale. Buyer has 3 days from the delivery date to have the dog examined by a licensed veterinarian, at buyer's sole cost. If the dog fails the examination, Buyer may return the dog, with a written statement from the veterinarian within 3 business days following the diagnosis, for a full refund. Failure by buyer to have the dog examined within the 3 day period will nullify this warranty. If buyer chooses to keep the puppy, the breeder would pay 1/2 of any reasonable veterinary costs *associated with the diagnosis* not to exceed 1/2 of the original purchase price of the animal.

The breeder additionally guarantees that the puppy will be free of genetic defects for 4 years from the birth date of the puppy that could be deemed as life-threatening or would affect the quality of life that the dog would otherwise live. The buyer will, upon request, provide the breeder with all relevant medical tests done on the dog. Should the disorder be confirmed by the breeder's veterinarian, the buyer will have the option of one of the following:

1. Return the dog and receive a full refund of the purchase price of the dog.

2. The buyer retain the dog and the breeder would pay 1/2 of any reasonable veterinary costs *associated with the diagnosis* not to exceed 1/2 of the original purchase price of the animal.

The Breeder Does Not Guarantee against any non-congenital conditions, diseases, or injuries that are caused by inappropriate diet, excessive/insufficient exercise, allergies, undescended testicles, umbilical hernias, injury (deliberate or accidental), abuse, untimely or inappropriate veterinary care. The breeder cannot guarantee the ultimate size, weight, color, temperament or suitability for specialized activities such as, but not limited to therapy/service, agility, showing, tracking, etc. above and beyond the promised family companion. This guarantee does not include minor illnesses and health issues such as colds, allergies, internal or external parasites or umbilical hernias. However, the breeder will disclose any known illnesses or health issues prior to the sale. This puppy is strictly sold as a top quality pet. Buyer is responsible for all medical costs of their puppy. This guarantee covers only the original Buyer and is not transferable.

Note: Due to FDA recommendations and numerous reports of deadly side effects, all health guarantee aspects of this contract will be null and void if buyer uses a flea/tick and/or heart-worm treatment/preventative that is designed to work continuously for more than 1 month in any form (including collars and chewables).

The Buyer agrees to routine and emergency medical care for the pup/dog in a timely manner. The buyer agrees to provide premium food appropriate for the dog, maintain the dog at an appropriate weight as suggested by their vet, minimize excessive exercise, assist the young dog on/off furniture, in/out of cars, and up/down stairs to minimize damage to the growth plates for a minimum of one year. Stairs and slippery floors should be avoided for the first year of life, as this can cause hip dysplasia.

The buyer further agrees to provide appropriate socialization and/or training for the life of the dog.

The Buyer Specifically Warrants:

1. Corgi Bliss reserves the first right of ownership (beyond family and friends of buyer) of the dog (free of charge), if the owner intends to sell or transfer ownership to another.
